#### WHY IS MY DOG'S NAME MISSING FROM THE LIST OF QUALIFIED DOGS?

If your dog isn't on the list of qualifiers, don't panic. Your dog's name may be missing due to one of the following reasons:

1. A test-giving club has not sent in the results of their test or it has not been received or processed yet by Retriever News who tracks the qualifiers for the event;
2. The MH was omitted from your dog's name, consequently RN is looking for an additional qualifying score;
3. Good old human error.
