NOTE: This signature cannot be the same as the appointed delegate.

Nota bene: A member club has the right to assign one proxy to a person they entrust to carry their club's vote if their club's delegate will not attend the MNRC Annual Meeting of Member Clubs. No one person may represent more than two clubs at the Annual meeting. A Proxy notification form can be filled out and signed by two club officers (as recognized in the AKC webpage) and sent or hand-carried to the MNRC secretary. Since the proxy notification form is date specific, the form will be sent to each member club in June with the Annual Meeting notice.
